

## Gates, Valves & Diverters

Slide Gates, Clamshell Gate, Rolling Blade Gate, Burner Isolation Valve, Bucket Diverter, Basket Diverter, Single Blade Diverter & Airlocks

## Conveyors

Screw Conveyors, Flexible Screw Conveyors, Food Conveyors, Tubular Drag Conveyors, Bucket Elevators, Pneumatic Conveyors

## Sensors & Controls

Radar Level Sensors, Point Level Indicators, Rotary Level Sensors, 3D Tank Mapping, Guided Wave Radar, Ultrasonic, Inventory Mgmt

## Mixers & Processing

Batch & Continuous Mixers, Vacuum and Dry Processing, NEW Microwave Mixer, Powder Drying, Food & Bakery Solutions

## Feeders & Scales

Volumetric Feeders, Gravimetric & Loss-in-Weight Feeders, Belt Scales, Vibratory Feeders, Screw Feeders

## Magnets & Metal Detection

Permanent Magnets, Eddy Current Magnets, Electromagnets, Rod & Plate Magnets, Head Pulley Magnets and Metal Detection Equipment

## Air Pollution Control

Dust Collectors, Cyclones, Fans, Wet Scrubbers, Central Vacuum Systems, Blowers, Fogging Dust Suppression

## Butterfly Valves

Inflatable Seated Butterfly Valves - Frictionless, Longer Valve Life, Tork-Mate Extended Life Pneumatic Actuators

## Packaging Equipment

Bulk Bag Fillers & Unloaders, Drum Filling & Handling, Dumpers & Tippers, Palletizing Systems, Bagging Equipment

## Systems Integration

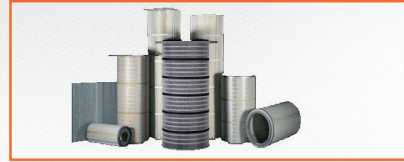

Complete Bulk Material Systems, PLC Integration, Custom Solutions, Structural Work Included, Setup and Commissioning, Dedicated Project Team

## Product Storage

Custom Dry Bulk Solids Tanks & Silos, Custom Liquid Tanks, Airsweeps, Loading Spouts

## Save on Filters!

Save on Dust Collector Filters, Cartridge Filters and Filter Bags! Free Assessment of Filter Usage to Identify Potential Savings!

**“Responsive, quick to make an on-site visit, and offers robust solutions to solve headaches involved with bulk solid material handling & processing”**

**- Nate L.**

**“A proven track record within the industry of providing top notch service for all your powder & bulk solids needs... extremely reliable, easily reached, technically sound and an overall great partner to work with.”**

**- Austin K.**
